

## TEXAS FOR BRYAN BY IMMENSE VOTE.

Plurality for Democratic Ticket  
Estimated at Two Hundred  
Thousand.

### ONE CONGRESSMAN GAINED.

Entire Democratic State Ticket  
May Run Ahead of Bryan Elec-  
tors—New Legislature Will  
Elect Bailey Senator.

Vote in 1896: Bryan, 251,231; McKinley, 124,774.

REPUBLICAN SPECIAL.  
Dallas, Nov. 6.—Returns indicate a plurality of approximately 200,000 for Bryan and Stevenson electors in Texas, also that all the Democratic congressional nominees have been elected, making a solid delegation of thirteen. Their names are:  
First District—T. S. Ball.  
Second District—S. B. Cooper.  
Third District—C. De Graffenreid.  
Fourth District—J. L. Shepherd.  
Fifth District—C. H. Randall.  
Sixth District—R. E. Burke.  
Seventh District—H. I. Henry.  
Eighth District—S. W. T. Latham.  
Ninth District—Albert Burleson.  
Tenth District—George Burgess (Democrat gain).  
Eleventh District—Rudolph Kleberg.  
Twelfth District—J. L. Shepherd.  
Thirteenth District—John H. Stephens.

It is estimated that more than 50 per cent of the Republicans refused to vote their State ticket, because of factional discord and consequently Governor Sayers and the Democratic State ticket as a whole may run considerably ahead of the Bryan electors. The Legislature elected today will elect Congressman J. W. Bailey (Dem.) to the United States Senate for the term beginning March 4, 1901.

Approximately all the counties in the State have elected full sets of Democratic local officers.  
Galveston, Tex., Nov. 6.—The election here passed without incident.

What interest was manifested centered in the congressional race between George F. Burgess, Democratic nominee, and Walter C. Jones, Republican nominee. The ticket is a winning one, carrying the office from Houston to Comstock, and the count is proceeding with aggravating slowness.

In the Tenth, Eleventh and Twelfth Congressional districts the Republicans have conducted an active campaign.  
It is generally conceded, however, that the only hope of the Republicans is in this (the Tenth) district, and this is a slim one.  
From the returns Burgess's election seems assured. If this proves to be the case Texas will have a solid Democratic delegation in the next Congress.

Brookhaven, Tex., Nov. 6.—Unofficial returns from all over Bowie County indicate a remarkably high vote cast and a probable close run between Stanley Edwards (Dem.) and C. H. Moore (Rep.) for Sheriff. Sheppard, for Congress, will poll his usual complement, his opponent being Gibbons (Rep.).

Brookhaven, Tex., Nov. 6.—Three wards of Bryan, 12,352; McKinley, 12,352. Fifteen cities and towns in Massachusetts exclusive of Boston gave:  
Bryan, 12,352.  
McKinley, 12,352.  
Same in 1896 gave:  
Bryan, 12,352.  
McKinley, 12,352.

Complete returns from 11 wards show a net gain for Bryan over 1896 of 5,521, and loss for McKinley of 4,325.

McKinley, 12,352.  
Same in 1896 gave:

Partial returns indicate that the city of Memphis will give Bryan a plurality of 800. In 1896 McKinley carried the city by 12 plurality.

## IMMENSE CROWDS WATCH REPUBLIC'S BULLETINS.

At least 100,000 men, women and children  
were gathered last night between Broad-  
way and Ninth street and Washington  
avenue and Market street, to watch for returns  
from the election displayed by the various  
newspapers.

From 9:30 o'clock until midnight at least  
40,000 of this number were constantly  
gathered around the excellent colored  
bulletins, which were flashed from a screen  
erected upon an immense screen that could  
be plainly seen for several squares.

The news was relayed by telegraph and  
telephone from every available source in  
the country that was considered reliable.  
In no newspaper in the city was there more  
accurate service than was given by the  
bulletins, which were flashed from a screen  
erected upon an immense screen that could  
be plainly seen for several squares.

When the first bulletin appeared shortly  
before 7 o'clock, the crowd had grown to  
100,000 persons, and according to the news  
bulletin conveyed, the crowd cheered.  
Whenever a Democratic majority was re-  
ported the cheering was so tremendous that  
the very windows in the adjoining buildings  
shook. In the dense mass there were many  
horns and megaphones, and their own-  
ers made a terrible din.

## HILL-BOUGHER WEDDING— OTHER SOCIETY NEWS.

Miss Sarah Alberta Bougher, only daughter  
of Mr. and Mrs. Jesse L. Bougher, of  
No. 415 West Pine boulevard, and  
Glen Hill, eldest son of Mr. and  
Mrs. James B. Hill, will be married this evening  
at 7:30 o'clock at the Bougher residence,  
the ceremony taking place in the white and  
gold drawing-room. White flowers and  
greenery will be used in the ceremony.  
The bride and bridegroom expect to  
take a short Eastern trip, going to Colum-  
bia in about a fortnight.

Mrs. Bertha Chouteau Turner received on  
Monday afternoon for her daughter, Miss  
Bertha Turner, and also for Miss Florence  
Turner. Both the debutantes have recently  
returned from a European trip. Mrs.  
Turner's mother and sister from Wash-  
ington are in entertaining.

Miss Bougher will have two brides in at-  
tendance—Miss Nettie, wife of Westville,  
Mo., as maid of honor, and Miss Langley  
of St. Louis as bridesmaid. James Hill, Jr.,  
will be the brother's best man, while the  
bride's groomsmen, Alfred G. Bougher will  
play the wedding marches and Joseph Bougher  
will sing. Only relatives and a limited num-  
ber of friends will witness the ceremony. Later  
there will be a small reception from 8:30  
until 9:30.

Miss Bougher will be married in a Paquin  
gown selected early in the fall before her  
return from Paris. It is of ivory more  
embroidered in large sprays of white lilacs.  
Much duchesse lace is used to trim the  
skirt, with fleecings of chiffon about the  
edge and the train. The waist is almost  
entirely covered with duchesse and point,  
the lace gimping being unlined. The sleeves  
are of chiffon. Her tulle veil will be fast-  
ened with a superb brooch of sapphires and  
diamonds, and she will carry a bouquet  
of white chrysanthemums. Mrs. Bougher  
will wear a Paris gown of meteor crepe in  
pale gray, trimmed in black thread lace and  
pink chiffon. Mrs. Leland Bougher will  
wear her wedding gown of white satin  
duchesse.

Doctor and Mrs. Leland Bougher were  
married exactly one year ago today.  
After the reception Mrs. Hill and her bride  
will go South for a trip of six weeks. On  
their return they will go to their home at  
No. 415 West Pine boulevard and will re-  
ceive on the Fridays in December.

Miss Lillian Irene Udell, daughter of Mr.  
and Mrs. M. R. Udell, and Leo David  
Fisher, son of Mr. and Mrs. Hart Fisher,  
formerly of St. Louis, but for the last year  
residents of Columbus, O., will be married  
this evening at 7 o'clock, the ceremony to  
be performed by the Reverend Doctor Bur-  
man at the home of the bride, No. 522 Ver-  
non avenue. Miss Julia Currie will be the  
bridesmaid, and Warren Tyrrell will assist  
the bridegroom as best man.

Miss Udell will wear white peau de gorse,  
trimmed in chiffon fleecings, and will car-  
ry a bouquet of white chrysanthemums.

## ONE CONGRESSMAN GAINED.

Entire Democratic State Ticket  
May Run Ahead of Bryan Elec-  
tors—New Legislature Will  
Elect Bailey Senator.

Vote in 1896: Bryan, 251,231; McKinley, 124,774.

REPUBLICAN SPECIAL.  
Dallas, Nov. 6.—Returns indicate a plurality of approximately 200,000 for Bryan and Stevenson electors in Texas, also that all the Democratic congressional nominees have been elected, making a solid delegation of thirteen. Their names are:  
First District—T. S. Ball.  
Second District—S. B. Cooper.  
Third District—C. De Graffenreid.  
Fourth District—J. L. Shepherd.  
Fifth District—C. H. Randall.  
Sixth District—R. E. Burke.  
Seventh District—H. I. Henry.  
Eighth District—S. W. T. Latham.  
Ninth District—Albert Burleson.  
Tenth District—George Burgess (Democrat gain).  
Eleventh District—Rudolph Kleberg.  
Twelfth District—J. L. Shepherd.  
Thirteenth District—John H. Stephens.

It is estimated that more than 50 per cent of the Republicans refused to vote their State ticket, because of factional discord and consequently Governor Sayers and the Democratic State ticket as a whole may run considerably ahead of the Bryan electors. The Legislature elected today will elect Congressman J. W. Bailey (Dem.) to the United States Senate for the term beginning March 4, 1901.

Approximately all the counties in the State have elected full sets of Democratic local officers.  
Galveston, Tex., Nov. 6.—The election here passed without incident.
